New liquidity and share buyback contracts

CIC Corporate & Institutional Banking is delighted to be working with new clients, including:

- Five new liquidity agreements with DAMARTEX, IEVA GROUP, ISPD, MACOMPTA.FR, PISCINES DESJOYAUX,
- Two new share buyback contracts with and GEVELOT and SIGNAUX GIROD.

CIC CIB's Corporate Brokerage team presently manages 22 liquidity agreements and supports around 50 clients with their share buyback transactions.

We would like to thank all our clients for their trust.

About CIC Corporate & Institutional Banking

CIC Corporate & Institutional Banking unites all of Crédit Mutuel Alliance Fédérale's corporate and investment banking expertise under a single brand. CIC Corporate & Institutional Banking draws on recognised expertise in the fields of corporate banking, capital markets and asset servicing, both in France and in our international branches. These areas of expertise are brought together under a single brand and form part of an integrated organisation structured around coverage and global business lines.
